Kathy and Ruth

Here's the state's summary revision. I left in a few remaining comments/points that need your attention, but hopefully there are few of them. I didn't get to the tribal summary yet (sorry!) so you'll see that coming your way tomorrow AM.

I know Sofia has been working on all the letters (we downloaded anything as of late Friday) to get into the spreadsheet, so you should see that too.

I didn't upload this version to the Share Point just to keep it in your hands until you are ready.
